

Fish & Feast

with the Go Fish Team

Fly fishing in the pristine rainforests of Byron Bay. Observe platypus, king parrots and wallabies as you glide through the cool, clean waters of the rainforest. End the day with a private, tabled lunch whilst sampling local, organic, gourmet food & beverage.

FLY FISHING IN THE RAINFOREST

Private transfer from your Byron Bay Hotel

Enjoy the incredible scenery on the 40 minute drive to our selected fishing destination, including winding dirt roads deep in the rainforest and extensive views through the mountains to the Pacific Ocean and over Byron Bay.

Fishing Guide & Glide

Meet your private fishing guide on arrival and take a seat in your fully-equipped kayak, ready for three hours' of fishing. This bass fishing adventure is catch & release to ensure the sustainability of the species.

Glide through the still waters and keep an eye on the banks for wallabies. These rivers and streams are the home of many platypus and the bird life is simply incredible. You will see kookaburras, king parrots & kingfishers to name a few.

FEAST
